U.S. DISTRICT COURT
MIDDLE DISTRICT OF ALABAMA

Motion For Permission To Precede In Litigating

I Richard Wayne Wright, Sr., am the plaintiff, Pro-Se., in the above style motion "motion For permission to precede in litigating" earnestly ask that this Honorable Court allow plaintiff Wright approximately, sixteen (16) days From said mailing date, Wednesday, May 24, 2006 until June 9, 2006 to send additional exhibits and an explanation 'motion' (in the said exhibits to this Honorable Court through and with the use of the inmate's legal mail service (in which these prison officials supply postage) here at Ventress Correctional Facility. Not to exclude plaintiff Wright an opportunity to to send (his) objections to the last orders) "Orders on Motion"; "Order" of plaintiff Wright objection's overruled, by the Honorable W. Harold Albritton (senior

United States District Judge); and plaintiff Wright motion denied "Plaintiff Wright motion of objections to the Honorable W. Harold Albritton Order" passed down ~~R.W.W.~~ by this Honorable Court on May 16, 2006, and plaintiff objections to the orders) passed down on May 19, 2006, by the Honorable Charles S. Coody (Chief United States Magistrate Judge), "order" instructing plaintiff Wright to seek permission of the Court before filing any further documents, pleading or motions, with the exception of a motion for leave to file; and an order passed down on May 19, 2006 by the Honorable W. Harold Albritton (Senior United States District Judge) denying plaintiff Wright's motion Plaintiff Wright Motion of objection To The Honorable Charles S. Coody Order". Plaintiff Wright has ^{R.W.W.} not been afforded adequate time to present a reasonable amount of documents / exhibits to this Honorable Court with the prison resource's the inmate's legal mail service -- in which these prison official supply postage (only two (2) stamps, once every Wednesday) here at Ventress Correctional Facility. Also due to plaintiff Wright's indigent status (he)

has to rely on Family Finances which are limited as well, this does not make or help plaintiff Wright litigation process any simpler. Because these prison officials provide for plaintiff Wright only two (2) postage stamps once every Wednesday (he) has (had to) send partial documents / exhibits with motions concerning his litigation process, periodically (once every Wednesday) and for ^{R.W.W.} (said) reasons, request permission from this Honorable Court to grant said motion "Motion For Permission To Precede In litigating" so that, plaintiff Wright can present "motion for extension of time" which is accompanied with ^{R.W.W.} ~~said~~ this (said) motion, and present additional documents / exhibits, pleadings or motions in the time plaintiff requested through (said) motion. IF this (said) motion is granted plaintiff prays that the accompanied motion "Motion For extension of time" may also be granted as indicated in such motion, this will be a help to plaintiff Wright litigation process and be an aid in presenting supporting documentation concerning plaintiff Wright initial claims. Plaintiff Wright does not believe by this Honorable Court granting this (said) motion and /

or motion For an extention of time as suggested will not ardently prejudice the defendants and/or defendant's Counselor(s) in any manner, nor does plaintiff Wright believes the granting of these' motion(s) will cause untimely, unnecessary and/or needless delay. IF this motion is not in its proper form, plaintiff ask that this Honorable Court Construed it into its proper form For Filing.

Done this the 23th day of May, 2006.

Respectfully Submitted,
Rich W. Wright Sr.
